Mumbai, Maharashtra, India | +91 9307882309 | juicrajguru@gmail.com

PROFESSIONAL PROFILE

Legal Operations and Contract Risk professional with 4+ years of experience spanning insurance law, litigation management, contract interpretation, legal operations, dispute resolution, compliance, and technology-enabled process transformation. Experienced in managing high-volume legal portfolios, assessing contractual liabilities, defending complex claims, coordinating litigation strategy, and collaborating with cross-functional stakeholders to improve operational efficiency. Currently seeking opportunities in Contract Management, Legal Operations, Legal Technology, Risk Advisory, and Corporate Legal Functions.

SELECTED ACHIEVEMENTS

Successfully defended a ₹32 lakh liability exposure before the Insurance Ombudsman through contractual analysis, documentation review, and legal assessment.

Led legal participation in the integration of Legal Management and Claims Management systems, improving accessibility of legal records and workflow efficiency.

Designed and delivered training programs for Legal Managers across West and South India on litigation workflows, claims handling, and operational processes.

Managed 5,000+ legal matters across litigation and insurance claims functions.
